

ECOFLOW

GLACIER Classic 35L

Dimension

Dimensions- external

706×400×405 mm / 27.8×15.8×15.9 in

Net Weight

20.5kg/45 lb

Dimensions- internal

487×284×298.5 mm / 19×11×11.7 in

Capacity

Usable Volume

35L

Number of 330ml Cans

58 cans

Temperature Zone

Variable Dual Temperature

Input

AC Input

AC Adapter: 95W max, 14.5V;
100-240V 50/60Hz

DC Input

Solar Charging: 11-30V, 8A /110W max
Car Charging: 12V/24V, 8A/100W max

Operational Performance

Battery Runtime

43 hr

(Tested @ Ambient temperature: 25°C, Eco mode)

Noise

< 38.5 dB

Cooling Capacity / Temperature Range In the Fridge

(-20°C) ~ (20°C)

Storage Temperature

(-20°C) ~ (60°C)

Power Consumption (Refrigerator)

Refrigeration(4°C): 165wh/24h; 0.57 Ah/h

Freezing (-18°C): 520wh/24h; 1.8 Ah/h

(Tested @ Ambient temperature: 25°C, Eco mode)

Power Combination

55W

Protection Level

IPX4

Operating Temperature Range (machine ambient temperature)

(-10°C) ~ (50°C)

Temperature Accuracy

Eco mode: ±2~3°C; Max mode: ±1°C

Energy Efficiency Level

Domestic: Level 1

Europe: B-class efficiency

North America: DOE and ENERGY STAR
